

VISION AND MISSION STATEMENT 2013-2018

Version: 2/13/13

Vision Statement: Build Hope! Build People! Build Casas!

To grow as a community of fully devoted followers of Jesus Christ by participating, through Small Groups and others in our church and beyond our church, on mission trips to Baja, Mexico.

In partnership with and under the leadership of Amor Ministries, to work with over 50 to 75 Baja families by helping them build their new homes during the next five years.

Mission Statement:

To Connect: To **Build Hope:** with families in Mexico, with members of Solana Beach Presbyterian Church, with other USA and Baja church partners, and with other “friends” of SBPC.

To Grow: To **Build People** by providing for both American/Mexican casa build teams and Mexican host families a challenging, faith stretching, life transforming, skill developing experience of service outside our normal comfort zones.

To Serve: By giving our time, our spiritual gifts and our financial resources to build casas with Mexican families in Baja.

To Impact: To **Build Casas** as we share Christ’s love with and receive Christ’s love from our Mexican neighbors, inviting “friends” outside of our church community to join with us.
